ON June 23, Aleppo Temple will have been instituted for fifty years, and in honor of this Fiftieth Birthday we are to have a Golden Anniversary Ceremonial. We wish to make this an event long to be remembered. In making this Anniversary the success we wish it to be, we will need the co-operation of every Noble of our Shrine.

Nearly all of the Potentates, Officers, and Uniformed Units of New England will join with us to help celebrate this great occasion and make it a big New England Shrine Day. There will be a parade at 2.00 o'clock starting from Mechanics Building, through the principal streets (route announced in papers later) to Boston Common, where the Uniformed Bodies will give exhibition drills.

The regular collation with plenty of Strawberry Shortcake will be served as usual from 5.00 to 7.00 o'clock after which the Visiting Units will entertain us with exhibition drills and music.

Let us all unite to give these Visiting Nobles the right hand of fellowship and extend to them a genuine Aleppo welcome.

The Program for the day is as follows:

DOORS OPEN (Entrance 135 Huntington Ave.)
10.00 A.M.
BUSINESS MEETING 10.45 A.M.
FIRST SECTION 11.00 A.M.
after which adjourn to 6.30 P.M.

DOORS OPEN 5.00 P.M.
LUNCH SERVED . . . 5.00 P.M. to 7.00 P.M.

At our last meeting, the by-laws were changed to eliminate the \$10.00 Affiliation Fee. Any member of the Shrine who now belongs to some other Temple and who has resided in our jurisdiction for six months may demit from his Temple and join Aleppo without cost. By so doing he is placed at once on our mailing list and will receive notice of all of our activities. It is only fair to Aleppo and to him to do this. Later, if he returns to his original jurisdiction, he may demit from Aleppo and rejoin his native Temple.

The Shrine Luncheons have been very instructive and entertaining. They have commanded a large attendance and will be resumed on September 27, at the Copley Plaza Hotel. The series will be continued on the fourth Tuesday of each month.

The Shrine Outing for all Nobles and their families will be held at Lake Pearl on Wednesday, August 24.

The Shrine Monthly Golf Tournaments have been very successful and all who play are enthusiastic over them. The next tournament will be held at the Woodland Golf Club, Auburndale on Wednesday, July 13.

The next Ceremonial will be held on Friday, November 11.

Many enjoyable times will be held in our new Temple this fall and winter. We are now preparing plans for whist parties, dancing, afternoon teas, and other entertainments so the ladies may enjoy the Shrine quarters with us.

We only get out of Aleppo what we put into it. Let us all work together, put a lot more into it and reap our reward.

Yours for Aleppo,

Noy A. Faag

POTENTATE ROY A. FAYE

ALL HAIL THE GOLDEN YEAR OF ALEPPO!

FIFTY years of True Comradeship — Good Fellowship — and Fraternal Good-will have molded our Temple into one of the finest in the Order. It should be with a glowing sense of pride that all Nobles of Aleppo recall the tremendously progressive strides by which this Temple has grown since its inception, June 23, 1882. The same spirit that prompted the organizers still prevails, as evidenced by the fact that succeeding years bring forth new members, new hopes, and new activities. This spirit is to be commended. Those who have rather "lost touch" with Aleppo should realize their misfortune. The Shrine Luncheons with an average attendance of 500 members — the Golf Tournaments — the Annual Ball — the Outing last August at Lake Pearl, at which there were over 14,000 Nobles, Ladies and Children — and the Ceremonials are all regular activities of the Temple. Every Member should enjoy the good Companionship afforded at these times. The forward march of progress has brought about the acquisition of New Quarters in Mechanics Building with very beneficial results for Aleppo. Every Member should avail himself of the opportunity to come in and meet his friends, both old and new, and enjoy the tradition of Aleppo Cordiality. It is gratifying to know that every member is earnestly looking forward to this 50th Anniversary Celebration. Let's all make it a real stepping stone for Aleppo. I want to especially thank those Nobles who have made possible the publishing of this book. It is my sincere wish that the next fifty years will hold still greater glories for Aleppo and that Fame, Good Fortune, and Friendly Fraternalism shall always prevail.

BRIEF HISTORY OF ALEPPO TEMPLE

UNDER dispensation of the Imperial Council, Order of the Mystic Shrine, Aleppo Temple was instituted June 23, 1882. The Charter was received June 6, 1883 and bore the following names, as Organizers and Charter Members: Nobles Joseph R. Grose, Harry E. Hosley, Frank Locke, Charles E. Pierce, Albert Edgcomb, Benjamin W. Dean, and Frederick G. Walbridge. The first business session was held October 28, 1885 at Odd Fellows Building, Boston, upon call of Noble Henry E. Hosley, at which time plans were made for organizing. On November 6, 1885, at an Adjourned Session held in Odd Fellows Building, the first Officers of Aleppo Temple were nominated and elected, namely: Potentate, Henry E. Hosley; Chief Rabbai, Thomas Waterman; High Priest and Prophet, Leonard M. Averill; Oriental Guide, Erastus H. Doolittle; Treasurer, Albert Edgcomb; Recorder, Ezra G. Robinson. During the first years, meetings were held in Odd Fellows Building, the first Oasis of Aleppo. In 1890 a Session was held for the first time in Music Hall, and from then on meeting places varied in accordance with the increasing demand for larger quarters, namely: Horticultural Hall; Masonic Hall, E. Boston; Symphony Hall; Mechanics Building; and others. In 1885 Committees were appointed to procure necessary Costumes and Paraphernalia, draw up the By-Laws, and select a Meeting Place. Proposals were submitted and accepted and on January 30, 1886, in Odd Fellows Building, the first Red Letter Meeting of Aleppo was held. The Work was rendered with suitable Robes and complete Paraphernalia for the first time, creating a very vivid impression on those present. A group of Nobles was chosen in 1885 to be the "Personal Staff of the Potentate", to assist with the Ceremonial Proceedings, and thus came into being the Arab Patrol. From a start of 12 men, this Unit has been constantly enlarged to properly present the Order upon the increasing number of Candidates, until now it consists of 187 Nobles.

Numbering 113 members in 1886, Aleppo progressed rapidly until at the time of the 25th Anniversary in 1907 the Roster contained 4,723 names. To commemorate these first 25 years of the Temple, a Committee was appointed by Potentate Charles C. Henry to prepare a fitting Ceremony. (Of this Committee, 8 are still active in Shrine Affairs: Nobles, George A. Shackford, Claredon E. Holman, Henry B. Perkins, Josiah T. Dyer, Walter W. Morrison, Joseph W. Work, George Bleiler, Jr., and James D. Robertson.) On Sunday, June 23, 1907, the Celebration Ceremony was held in Mechanics Hall, in conjunction with a Memorial Service for departed Nobles. Over 8,000 Nobles and Ladies attended this brilliant and impressive Ceremony.

In 1904 Potentate James S. Blake conceived the idea of establishing a Permanent Fund. The proposal met with immediate approval and in 1907 at the time of the 25th Anniversary the sum had reached the successful proportion of \$17,000.00. The following years were of even greater success and now at the time of the 50th Anniversary the Fund has reached the grand total of \$611,306.73 (to January 1932).

Successing years have seen Aleppo Temple progress in great strides. The membership list which on the 25th Anniversary contained 4,723 names increased rapidly to

a point where now there are 14,728 members. A record for Aleppo was established on May 4, 1920 when 1,131 Candidates were initiated into the Temple at a Session held in Mechanics Hall, the largest class ever to be admitted at one time. On January 18, 1929 a record meeting of attendance was held requiring the use of the spacious Auditorium in the New Boston Garden. Over 12,000 Nobles were in attendance, including 1,500 visitors from 54 different Temples in North America. The four corners of the earth were represented by delegates from Honolulu, Canal Zone, St. Johns, N. B., and Calgary, Alberta.

In 1912-14, under Potentate George S. Shackford, Offices were established in the Journal Building, 262 Washington Street, and these remained the headquarters of Aleppo until 1927 when upon the proposal of Potentate Francis H. Appleton, rooms in the newly-completed Statler Building were made available. In 1932, under the present Potentate, Roy A. Faye, another forward step was taken when the large and luxurious quarters in Mechanics Building were acquired. By far, the roomiest and most suitable quarters yet obtained, these new offices seem to adequately fill the demand for a Temple: — another mark of progress for Aleppo Temple.

Charitable work has always been an important factor in the activities of Aleppo Temple and each year large sums are dispensed for that purpose. Notable among these contributions is that donated to the Shriners' Hospital for Crippled Children, approximately \$30,000.00 yearly.

STATISTICS OF INTEREST

Past Potentates of Aleppo Temple: — Nobles Henry E. Hosley, 1885-1889; James A. Fox, 1890; Thomas Waterman, 1891-1893; Caleb Saunders, 1894-1896; Frederick H. Spring, 1897-1899; Albion F. Welch, 1900-1902; James S. Blake, 1903-1905; Charles C. Henry, 1906-1908; Charles A. Esty, 1909-1911; George A. Shackford, 1912-1914; Walter W. Morrison, 1915-1926; Francis H. Appleton, 1927-1928; Samuel C. L. Haskell, 1929-1930; Roy A. Faye, 1931-.

Aleppo Temple Concert Band had its origin in a quartette of brass instruments aided by a cabinet organ. Under the leadership of Noble Thomas M. Carter, one of the original quartette, a band of 12 or 15 members was eventually formed. It soon became a highly respected and well-trained body of musicians, and is at the present time still playing an important part in all Ceremonials of Aleppo. Noble Carter, second oldest living member of the Temple, is still actively taking part in all Shrine affairs. He joined the order in 1887, is 90 years old, has been a Band Master for 70 years, and is world renowned for his famous composition, "Boston Commandery March."

Aleppo Drum Corps or Shriners' Band was organized in 1916 by Noble Louis Harlow. From a start of 32 members this unit has gradually developed until at the present time it consists of 220 highly skilled musicians. It is now under the leadership of Noble Walter M. Smith, who succeeded Noble Harlow in 1929, upon the latter's retirement from active leadership.

Noble Joseph W. Work is the Senior Member of Aleppo Temple. He was taken into the Order in 1885, chosen Treasurer of the Temple in 1891, and has worked faithfully and diligently in that capacity right up to the present time — an imposing record of service.

ALEPPO TEMPLE A.A.O.N.M.S., BOSTON, MASS.

HISTORY (continued)

Noble Walter W. Morrison, Potentate from 1915 to 1926 inclusive, has established an enviable record for years of service. What appears to be an all time record for any Temple was established during his reign as Potentate when 12,345 Candidates were admitted into Aleppo. In 1927 he was appointed to the office of Recorder and is still performing his duties in that position.

The late Veteran Noble Benjamin W. Rowell, an outstanding member of Aleppo Temple, held the office of Recorder from 1886 until his death in 1927. He held the office of Imperial Recorder of the Imperial Council from 1894 until his demise and had been continuously elected representative to the Imperial Council for 35 years. In 1908 he was made an active member of that Body for Life: — a fitting tribute to a great Shriner.

The following Temples were created from the membership of Aleppo: Kora Temple at Lewiston, Me., Melha Temple at Springfield, Mass., and Bektash Temple at Concord, N. H.

Rolllicking — you might say! The giraffe, the zebra, the camel, the bewildered bunny and so on. Merry and jovial they scamper, wobble or stagger around the sides of these shapely highball tumblers. Haad painted in colors too! They serve two purposes, one to amuse guests and a second more utilitarian one. Once you've picked your animal you can always recognize and claim him. He becomes a one-man dog, so to speak and that is advantageous. Assorted animals in each set.
